Eastern Berlin Police Fire On Strikers In U.S. Zone

Russian Zone Police Take RR Station

Berlin, Sunday, May 22—(AP)—German police from Russian-occupied Eastern Berlin opened fire last night and early today on striking railway workers at two elevated train stations in the American sector, West Berlin police reported.

Western sector police said several persons were wounded by the gunfire.

A train coming from the adjoining Soviet sector with a large number of Russian zone police and Russian-controlled railway police aboard entered the Neukoelln station in the American sector about 2:30 a.m. (German time), western police said.

Open Fire Immediately

The Russian zone police opened fire immediately on strikers in the station, the western police reported. The number of casualties could not be determined at once because the eastern police occupied the entire station and announced anybody approaching within more than 30 yards would be fired on without warning.

Within minutes after the gunfire, the strikers rallied and attacked the eastern police with heavy clubs, stones and fists. They forced the communist police to retreat their train and withdraw to the Russian sector.

This was done without further shooting. Western police occupied the station for a while and then, finding the situation quiet, turned the building over to the strikers.

Both strikers and police began checking on casualties. Meanwhile, these police reported practically all western Berlin elevated stations were either occupied by strikers or completely deserted.

Fired Pistols

Earlier German police from the Russian sector had fired pistol shots as railway strikers tried to seize the Wannsee elevated station, also in the American sector. There was one casualty, a young man was scratched on the arm.

The gunfire broke out when scores of strikers tried to sneak across darkened railway tracks and break into the Wannsee station.

There was a report five of the strikers had been wounded, but this could not be confirmed.

Earlier Russian machinegunners had been posted aboard elevated trains after hours of bloody rioting in west Berlin. Part of the elevated resumed operation.

The Soviet troops guarded a train sent through the American sector of Wannsee-Zehlendorf and another to the French sector.

The strikers, who fought throughout most of the day with communist strike-breakers and Soviet sector railway police, did not dare to interfere. The western allies had adopted a hands-off policy in the fighting, which pitted Germans against Germans on East-West lines.

Both freight and passenger trains were stalled by the strike.

There was no immediate effort by the Russians to move the freight trains, stalled in the Soviet occupation zone at suburban Potsdam with supplies for western Berlin.

Frank O. Lowden's Possessions Sold At Public Auction

Oregon, Ill., May 21—(AP)—Sinissippi Farm, the late Gov. Frank O. Lowden's gracious home for many years, was an auction bee-hive today.

The books of his large library were sold singly and in batches. The chairs, the lamps, the bric-a-brac he prized, the linen and bedroom furnishings of the old three-story mansion,...

"I have eight dollars! Eighty dollars! Eighty dollars, sold! This beautiful set of Dickens' works is yours. Please give your name to the clerk." The auctioneer had a big job.

He'll work again Sunday when tens of thousands of dollars worth of century-old china, heavy silverware and cut glass are to be sold. Then, the sale will become "most exciting," said O. G. Ostrander, the Chicago auctioneer in charge.

It was exciting enough today. More than 500 persons came to the vast, rolling, 4,500-acre farm estate. The occasion was a picnic for many, despite frowning weather. The sky was overcast, and the thermometer read 56 degrees at noon.

Acheson Meets With Bevin And Shuman To Organize West Views

Paris, May 21—(AP)—Warned by an easing cold war, the foreign ministers of Britain, the United States and France met today to organize a western front for the Big Four conference on a German settlement.

More than four years after the Nazi regime disintegrated before the armed might of Russia and her western allies, the victors are still at odds over the political and economic settlement to be handed the German people. Instead, east and west in its own way has been trying to win support in the nation they jointly defeated.

Their foreign ministers will meet Monday in their sixth post-war conference. It will be their fourth conference on Germany.

Western diplomats expect, however, that at best only a temporary

or working agreement can be hammered out at this meeting.

U. S. Secretary of State Dean Acheson arrived in Paris this morning on President Truman's personal plane, the Independence. He was accompanied by John Foster Dulles, his Republican adviser, and Robert Murphy, the state department's chief of German affairs. He was met by Dr. Philip C. Jessup, U. S. ambassador at large, and W. Averell Harriman, roving ambassador for the European recovery plan.

British Foreign Secretary Ernest Bevin arrived yesterday. Soviet Foreign Minister Andrei Vishinsky arrived by plane late today, and was closeted for three minutes with Foreign Minister Robert Schuman of France. Asked for comment on the conference he would only exclaim, "later, later."

Acheson also declined to make any statement.

Dulles said Gov. Thomas E. Dewey, now on a European tour, might sit in on one of the Big Four sessions.

A short time after his arrival Acheson met with Bevin and French Foreign Minister Schuman in the latter's office for nearly three hours. With him was Jessup, Charles E. Bohlen, state department counselor, and Dulles.

The three ministers had before them a report on proposed strategy that had been drawn up in week-long meetings by their advisors. The

ministers expected to meet again tomorrow and perhaps Monday morning. Their conference was highly secret.

Their main task, it was reported, was to eliminate a few minor differences which their advisors had not been able to settle.

Diplomatic sources said Britain has suggested the four-power conference be in strict secrecy. Neither the French nor the Americans liked the idea.

Official sources predicted that western strategy will be fluid until it is learned what Vishinsky has brought in his briefcase.

The issues, fateful for the future of Europe, involve the political regime for Germany, reparations, frontiers, economic supervision, prevention of rearmament and Germany's place among her neighbors.

Favors Restricted Powers To U.S. In Emergency Strikes

Washington, May 21—(AP)—Senator Douglas (D-Ill.) said today he favors giving the president restricted power to seize strike-bound or strike-threatened facilities in key industries in national emergency situations.

The Illinois senator thus became the first democrat on the Senate labor committee to call publicly for a specific change in the administration's labor bill.

The administration bill would repeal the Taft-Hartley law and replace it with a slightly revised version of the old Wagner Act.

The bill has no provision for court injunctions against strikes which imperil national health or safety, nor does it provide for seizure. The T-H law provides for 80-day injunctions, but not for seizure.

However, a Republican-written substitute for the administration bill provides for both courses. But the broader than Douglas is willing to back.

The delayed hearing was held late this afternoon and Hogarth was immediately recommitted to the State hospital, said M. P. Roberts, foster county judge.

The man who first reached him was Steve Fisher. Hogarth this morning had accepted a drugged soft drink and shortly before he was captured had taken a couple of swallows from a second drink.

Group Will Hear Plan To Ease City Money Problems

Springfield, Ill., May 21—(AP)—A plan to ease money problems of cities by broadening their taxing powers comes up for committee hearings next week in the Illinois Legislature.

Identical bills in both the House and Senate would permit municipalities to license for revenue any industry, business, occupation or profession, instead of only a few as at present.

The idea is highly controversial, and similar legislation in 1947 failed to get anywhere. Majority Republicans squelched it in committee.

This time passage prospects are brighter despite Democratic Governor Stevenson's neutrality and strong opposition from the taxpayers' federation of Illinois and other groups.

Stevenson is not against the bills, whose sponsors in each legislative chamber include the Democratic floor leaders. He merely said he is "taking no position."

One of the principal backers is Democratic Mayor Kennelley of Chicago, where city financial worries are particularly acute. Some other mayors are for them, too.

Deere Co. Workers Call Off Walkout

East Moline, Ill., May 21—(AP)—Foundry employees of Deere and Co. voted today to call off a walkout in a piece-rate dispute.

The men, members of the CIO-United Auto Workers, agreed to go back to work Monday to ease the atmosphere for contract negotiations covering UAW unionists at seven Deere and Co. plants.

The strike, begun Wednesday, is unrelated to the negotiations. The union said more than 400 men walked out. The company said it was 210.

Federal mediators will reconvene contract talks Wednesday after establishing a three-man panel to hear union and company cases.

Says Unnecessary Jobs In Illinois Have Been Killed

Springfield, Ill., May 21—(AP)—Governor Stevenson said today 1,134 "unnecessary" jobs have been eliminated from state payrolls under his jurisdiction. He said none of them would be refilled.

Payroll savings from the job eliminations amount to \$222,229 a month at present salary levels, or \$5,335, 183 for the two years beginning July 1, Stevenson said.

The Democratic governor announced results of a survey comparing payrolls of Nov. 1, 1948, under former Republican governor Dwight H. Green, with those of April this year.

"We are doing away with pay-rollers and no one will be carried on any payroll who is not working for his pay," Stevenson said in a statement.

"We are eliminating them as fast as we can find them. We are also doing away with duplication of effort xxx."

All divisions under the Governor were affected by the cuts except the Illinois Public Aid Commission, Liquor Control Commission, and the State Housing Board.

Mrs. F.D.R., Jr., Receives Divorce On Mental Cruelty

Minden, Nev., May 21—(AP)—Mrs. Franklin D. Roosevelt, Jr., received a divorce in a five-minute private hearing today.

She accused the son of the late president of extreme mental cruelty, an accusation he formally denied.

The former Ethel Du Pont, of the great chemical empire family, had not a word of comment after District Judge Harry Watson signed the decree.

The hearing was private and the accompanying agreements were sealed. These terms, dated March 19, fixed custody rights and support for two children, Franklin III, 10, and Christopher, 7. A property settlement was reached on the same date.

This week Roosevelt was elected to congress from a New York district.

The couple married at Wilmington, Del., June 30, 1937.

Decatur Police Aid Woman Who Can't Remember Name

Decatur, Ill., May 21—(AP)—A middle-aged woman who says she can't remember who she is, where she came from or where she was going was held in protective custody in the county jail here today.

Police Sergeant Forrest Pollard described her as being in the early 40's, five feet, five inches tall, weighing 134 pounds and with blue eyes and brown hair.

She carried a bus-ticket bought in Chicago some time after last midnight. The destination, smudged and almost illegible, appeared to be St. Louis.

She was taken to jail after she appeared at the Salvation Army office early today explaining she was sick and needed help.

STEVENS ON TO MAKE RADIO REPORT SOON

Springfield, Ill., May 21—(AP)—Governor Stevenson will make a radio report Monday and Tuesday on progress of major legislation before the 1949 General Assembly.

His address will be carried by 42 stations—the largest number ever to air a broadcast of the Governor of Illinois. Eight Chicago stations will carry the talk at 9:30 p.m. Monday and 34 downstate stations will rebroadcast it Monday night or Tuesday.

Senate Spy Probe Subpoenaes U.S. State Dept. Files

Washington, May 21—(AP)—A Senate spy investigating group announced subpoenas for government records today under a threat to disclose confidential and "alarming" information of its own if the files aren't produced.

Senator McCarran (D-Nev.), chairman of a judiciary subcommittee investigating subversive aliens, said that two subpoenas have been issued instructing the state and justice departments to produce 168 files bearing on the investigation.

McCarran said these are the first of "several hundred files which I shall subsequently demand."

If the government records are not handed over, he said he would make public hitherto confidential information in the subcommittee files "respecting subversive activities which are being carried on in this country under the active direction and leadership of agents of foreign governments."

"This information is extensive, conclusive and alarming, and includes names, places and events," he said in a statement.

McCarran's subcommittee has been holding hearings on his bill to bar the admission of subversive aliens to the United States and to force the deportation of any already here.

The state department and FBI files McCarran seeks contain information on persons admitted to this country as aliens. This information includes security reports made by the FBI on these persons.

Attorney General Clark and FBI Chief J. Edgar Hoover are reported to have turned down a request by McCarran at a conference last week for access to the files.

Stevenson, Truman Bid Farewell To Brazil's President

Washington, May 21—(AP)—Gov. Adlai E. Stevenson of Illinois accompanied President Truman today when the President went to Union Station to say goodbye to President Dutra of Brazil.

Stevenson arrived at Blair House, the President's temporary residence, shortly before Mr. Truman was scheduled to leave for the station.

The Illinois Governor was inside but a few minutes. Then he emerged with the President and rode with him to the station. After Dutra's train left, Mr. Truman dropped Stevenson off at his hotel.

Originally Stevenson was scheduled to see Mr. Truman at 2:30 p.m. (EST). Later the time was changed to 2 p.m. because of President Dutra's departure for New York City.

Stevenson told reporters the time difficulty was due to a misunderstanding in his own office.

At Union Station, Stevenson not only boarded President Dutra's private car and joined in the farewells, but he had an opportunity to renew acquaintance with a colleague of his own diplomatic days.

FIND BODY OF ONE OF MISSING PILOTS

Williams Air Force Base, Ariz., May 21—(AP)—The body of one of two missing F-80 jet fighter pilots was found today in the wreckage of his plane 35 miles southeast of Florence, Ariz.

The two planes collided at 25,000 feet last night while on a routine night formation flight. Pilot of one was the instructor and of the other, a student, officials said. Their names were withheld.

Blast Of Big Arsenal Rocks Shanghai Area

Shanghai, Sunday, May 22—(AP)—communiqué described only minor actions, including a drive by 300 one-third miles from the downtown district blew up with a roar today and burned fiercely as other fires sprang up in and around the besieged metropolis.

The explosion was at the huge Kiangnan arsenal and dockyard on the Whangpoo river about three miles from Shanghai's center.

The blast shook the heart of Shanghai and echoed across the countryside.

(The cause of the explosion was not explained. However, fighting has been reported in the vicinity of the arsenal.)

The situation was extremely confused. Authorities offered only vague answers to the causes of at least 20 fires that raged in and around Shanghai.

The Reds seemed to be pressing their attack at many points on Shanghai's defense perimeter.

The Chinese nationalist garrison, however, said today that the city was still in their hands.

Four Killed, 40 Injured In Wood River; Claim 14 Killed In Council Bluffs

Poplar Bluff, Mo., May 21—(AP)—The Missouri Highway Patrol reported that at least 14 persons were killed late today when a tornado swept through Cape Girardeau in south-east Missouri.

Wood River, Ill., May 21—(AP)—J. J. Dromgoole, city editor of the Alton, Ill., Telegraph, reported from his tornado-stricken area today that four persons have been killed and 40 injured in a twister which hit Wood River, Meadowbrook and Roxana in the area immediately south of Alton.

Dromgoole estimated property damage at from \$1,000,000 to \$2,000,000. He said more than 200 homes and a theater were damaged, and that all power service, including light and phone lines, was cut off.

A heavy downpour accompanied the tornado. Dromgoole said streets were flooded with about one foot of water. Highway police and city police from throughout the area were called in to assist. Red Cross workers were on the scene.

Dromgoole listed the dead as A. A. Hopper, Wood River; Mrs. Ernest Taylor, Wood River; Opal McDonald, near Glendale Gardens, and an unidentified child about two years old found in a vacant lot in Wood River where it apparently had been blown.

Kansas City, May 21—(AP)—Tornadoes in the past four days have killed at least 30 persons, injured hundreds and smashed property worth millions of dollars in 53 communities in nine states.

Following is a brief summary by states, including the number of dead, injured, communities affected and damages, as nearly as can be determined now. Tornadoes tonight struck in the Illinois-Indiana-Missouri section tonight and reports of dead, injured, and heavy damage still are coming in.

Missouri—One tornado tonight in the past four days have killed at least 30 persons, injured hundreds and smashed property worth millions of dollars in 53 communities in nine states.

County Attorney William Crissman asked the pediatrician if he didn't "form a hatred" for Hattman after Rutledge's blonde wife Sydney, 23, told him last Aug. 10 that Hattman had been "forcibly intimate" with her a few days earlier.

"No sir, I didn't," Rutledge replied.

"You were feeling resentment, weren't you?" Crissman asked.

"Yes sir. Very strong resentment," Rutledge said.

The doctor testified this resentment continued until Hattman's death. The state claims Rutledge struck Hattman from ambush and deliberately inflicted a fatal knife wound from motives of "jealousy, extortion and robbery."

Illinois—Two tornadoes tonight hit vicinity of Alton, Wood River, Hartford and Palestine. Nine dead. At least 43 injured. Damage estimated at \$1,100,000 to \$2,000,000. Water company's power plant serving Robinson, Oblong, Palestine wiped out.

Indiana—One tornado tonight eastern sector Terre Haute and Shelby to the south. 14 to 17 dead. 52 hospitalized. At least 200 homes leveled.

Iowa—One tornado today at Keosauqua. No one reported injured. Homes, farms damaged, trees uprooted.

Oklahoma—Twenty-one tornadoes in four days. Three dead, 25 injured, one seriously. Towns hit: Beaver, Balke, Woodward, Gage, Geary, Cherokee, Nash, Jet, Euiler, Farge, Shattuck. Others in rural areas. No estimate of damage because of wide area involved.

Kansas—Fourteen tornadoes yesterday and today. Two persons killed, scores injured. Towns hit (all small): Wilmore, Rozell, Gorman, Chase, rural areas hit near these cities: Garden City, Scott City, Hanston, Solomon, Junction City, Emporia, Wellington, Winfield, Iola, and Levant. No dollar estimate of damage. Seventy-five or more farm homes and buildings damaged or destroyed. At least 25 business buildings, churches and homes damaged in cities and towns. Extensive damage to utility lines.

Colorado—One tornado near Wray in northeastern Colorado yesterday. Dozen farm buildings flattened. None injured.

Nebraska—One tornado yesterday near Haigler in southwest Nebraska. One injured. Two farms heavily damaged.

Tennessee—Tornado yesterday struck Goin and Barn Creek community. Three injured. No estimate of damage.

GET WAGE RAISE

Chicago, May 21—(AP)—The Associated milk dealers of Chicago and the inside dairy workers union, local 754, agreed on a new contract early today giving workers a blanket \$10-a-week wage increase.

LEPROSY INCREASING

London, May 21—(AP)—A British doctor declared today the number of leprosy cases in Britain is increasing "at a rate which causes us great concern."

Bellatti Recital To Be Presented Sunday Afternoon

Ruth Melville Bellatti will be presented in a recital Sunday afternoon at four o'clock in Trinity Episcopal church by the Springfield chapter of the American Guild of Organists.

Wayne Millasp, son of Mrs. Clarence L. Millasp, 825 Allen avenue, will leave May 26 for Fort Belvoir, Va. He has been assigned to the engineer's school at the army post to study there for three months.

Millasp was graduated from Jacksonville High school in 1945. He served one year in the army as an enlisted man and spent nine months in Manila with the army finance department. After his discharge in October, 1947, Millasp entered Illinois College. He is a junior at the local school and was active in Phi Alpha literary society.

Bill Hughes, son of Mr. and Mrs. T. L. Hughes, 305 Lockwood place, has been ordered to report to the armored cavalry unit at Fort Knox, Ky. He will leave Monday.

Hughes also graduated from the local high school in 1945. He spent two years in the navy as a pharmacist's mate. He attended Illinois College after his discharge, where he is a junior.

Leaving Monday with Hughes is Charles R. McNeil, son of Mr. and Mrs. E. E. McNeil of 416 West Court. He, too, will report at Fort Knox to commence training with the armored cavalry.

McNeil, who is the oldest of the departing youths, was graduated from JHS in 1941. After a year at Illinois College, he entered the U. S. Army and served three years in the European theater of operations. He was awarded the Purple Heart and Bronze Star for services rendered while in the ETO. He was discharged in 1945 and returned to IC. McNeil has completed his undergraduate work at the local college and will receive his diploma in June.

McNeil and Hughes were active members of Sigma Phi literary society while attending Illinois College.

Byron "Dutch" Ebaugh of Decatur also leaves with McNeil and Hughes. He is a junior at Illinois College. The son of Mrs. G. Ebaugh, 50 Southside country club, he is well known here. His father worked for the Caldwell Engineering Co. in Jacksonville several years ago.

All four of these young men are taking advantage of a government stipulation which allowed any man with two or more years of college training to enlist in the reserve corps, receive his commission as a second lieutenant and complete two years of duty with the regular army.

BAPTIST YOUNG PEOPLE WILL ATTEND SUPPER
The Youth Fellowship of the First Baptist church will meet for its closing session on Sunday evening, May 22, at the home of Dr. and Mrs. Perry A. Roberts, the advisors of the group. A picnic supper will be served in the back yard of the Roberts home at 142 Spaulding Place, starting promptly at 5:30 p. m.

Marjorie Morrison, president of the group, will have charge of the business session. The topic lesson will be directed by Edmund Vorhes, and Jane Morrison will have charge of games. This will be the final meeting of the BYF for the winter term, and a large attendance is anticipated. The group will start functioning again the early part of September.

EBENEZER W. S. C. S.
The Ebenezer W. S. C. S. will meet Thursday at 2 p. m. at the home of Mrs. Robert Houston, northwest of the city. The assistant hostesses will be Mrs. L. C. Moss and Mrs. Herman Disrud.

WISE ADVICE FOR MEMORIAL DAY DRIVING

The four-day holiday Memorial Day weekend will produce a traffic toll on Illinois highways of 25 fatalities and 950 injuries, Charles M. Hayes, president of the Chicago Motor Club, predicts.

Heavier tolls were experienced only in 1937 and 1940. Twenty-four fatalities occurred in Illinois last Memorial Day weekend when traffic was the heaviest in the history of that holiday. Traffic volumes this year will equal or exceed last year's if weather conditions are favorable, Hayes said.

The Motor Club submits to motorists a four-point program for improving their holiday touring safety:

- 1) Schedule holiday activities to eliminate driving when fatigued or after consumption of alcohol.
- 2) Schedule trips to reduce or eliminate night driving, producer of two-thirds of all traffic fatalities.
- 3) Increasing margins of safety, especially passing and following distances, and speed controls at intersections, railroad crossings and on curves.
- 4) Make sure that brakes, windshield wipers, lights, and all safety equipment are in good operating order.

ASHLAND

Ashland—Mr. and Mrs. Edward Duncheon spent the first part of the week in Galesburg.

John Brown has returned to his home after a visit with his daughter, Mrs. Hazel Shaner.

Mrs. Lillian Minters received a telegram Wednesday morning, telling of the death of her brother, William Shell of Granite Falls, North Carolina. He passed away Tuesday evening.

Mrs. Ralph Brooks and family, and sister, Theo Catherine Loy of Jacksonville, attended the B. Y. F. convention held at the local Baptist church Monday night, and also visited at the George Bailey home.

Rose Bentena Becomes Bride Of Chas. Devlin

Church Rites Saturday Unite Local Couple

The flower-banked altar of the Church of Our Saviour provided a lovely setting for the marriage of Miss Rose Bentena and Charles Francis Devlin, which was solemnized Saturday morning at 9 o'clock in a double-ring ceremony performed by the Rev. Father John Morris.

who was celebrant of the nuptial Mass which followed.

Mr. and Mrs. Adelino R. Bentena, 748 West Lafayette avenue, are the parents of the bride, Mr. Devlin is the son of Mr. and Mrs. Paul Devlin, Sr., 770 South West street.

Appropriate wedding selections were played by Mrs. Alta Eisch, church organist.

Gown of Chantilly lace and bridal satin was worn by the bride, who given in marriage by her father. The gown featured a bodice of lace and skirt of satin, accented with a satin bustle and a long flowing train.

She wore opera-gloves of satin and a fingertip veil of illusion tulle, trimmed with Chantilly lace and held in place with a crown of seed pearls.

Her flowers were of white roses and gardenias. As her only jewelry, she wore a diamond necklace belonging to her mother.

Attendants Wear Green, Yellow
The bridegroom's sister, Miss Charlotte Devlin, was the maid of honor. She was attired in a gown of emerald green taffeta, styled similar to that worn by the bride. Her bouquet was of tea roses, which were also used to secure her shoulder length veil of tulle. She also wore matching opera gloves.

The bridesmaids, the Misses Clementina and Mary Bentena, sisters of the bride, were attired in identical gowns of canary taffeta, with which they were matching opera gloves and shoulderlength veils of tulle, held in place with falisman roses. Their bouquets were also of talisman roses.

Miss Phyllis Leigh McHattom was the flower girl, wearing a gown of white taffeta, fashioned after the bride gown. She carried a basket of rose pedals and wore a veil held in place with white roses.

The gowns of the bridesmaids and the flower girl were made by the bride's sister, Miss Mary Bentena.

Brother As Best Man
Paul Devlin, brother of the bridegroom, served as best man. Groomsman and ushers were Bernard McGrath and Albert Biggs. Adelino R. Bentena, Jr., brother of the bride, acted as ring bearer.

Following the ceremony, a reception was held in the Dunlap hotel. The refreshment table was centered with a three-tiered wedding cake, topped with miniature bride and groom.

Assisting with the serving were Miss Dorothy Darush, Pauline Blaha, Mrs. Margaret Devlin, Mrs. Evalina Wild, Mrs. Grace Kostelny, Mrs. Mary Prince and Mrs. Lucille DeFrate.

Gold Rush Of '49 Theme Of Ashland Prom, Banquet

Ashland—"Gold Rush of '49" is the theme of the annual junior-senior prom to be held Saturday, May 21. The juniors have issued invitations to all the juniors, seniors, faculty members and their guests. This is the first time that the juniors and seniors have invited guests to the banquet.

The banquet will be served by the ladies of the Methodist church. Boys from the freshman and sophomore classes will serve as waiters. Music will be provided by the Novatones. A floor show is being arranged.

Seven students of the local high school have had perfect attendance for this year. The girls lead with four having perfect records, the boys have three.

Carrollton Eighth Grade Students To Graduate May 25

Carrollton—The Rev. Marshall D. Ulm, pastor of the local Methodist church, will deliver the address at the eighth grade commencement of the Carrollton Grade school to be held Wednesday, May 25, at 2 p.m. The musical part of the program will consist of a piano solo, "Caprice in C" by Goodrich, played by Janice Fry; "Lassie O Mine" by O'Hara, by the girls chorus; an accordion solo, "Twilight Time" by Nevins, played by Rondell Herring, and "Softly, Softly Fall the Night" by Underwood, sung by the members of the eighth grade class.

The presentation of the American Legion awards will be made by W. G. Vogt, commander of the local post of the Legion. The presentation of the diplomas will be made by Olin Stead, superintendent of the school. The processional and the recessional will be played by Miss Nita Ford of the school faculty and the invocation and the benediction will be given by the Rev. Ulm.

Airplanes in the future will be refueled by the under-wing fueling system. The intake vents of the fuel tanks open under the wing, and all the service man needs to do is stand on a low platform to get his filling line into place.

They'll Do It Every Time

What It Means: Trouble In China, Old And New

Shanghai—China is at a new depth of confusion in trying to decide what to do about herself. The average American in China, knowing China's needs and the United States' limitations, is the most confused of all.

China wallows in difficulties which set a record even for a country that is expert at getting herself into difficulties. China is divided more ways than between Nationalists and Communists.

China is hungry, yet much of her land (and it never did yield enough to feed her) is out of cultivation because of the civil war. China is dizzy with inflation. Printing presses cannot grind out enough money even by working day and night. China's leadership is so split that half the crises that beset her are simply ignored.

Americans in China read of congressional debates centered on stopping Communism and wonder anew how it can be done in this huge, crowded land without getting caught in collateral problems that might not be solved even with the expenditure of billions of dollars.

Most Americans in China feel that Communism, like every other revolutionary movement in the country's history, was brought on by internal conditions which the West always over-simplifies. They feel that, until those conditions are rectified, China is doomed to turmoil and to one revolutionary movement after another.

Renewed suggestions from Washington that the Red tide can be halted by more American money sounds to the average American in China like suggestions that the same old mistakes be repeated.

There is also the problem, who will get the money? Chiang-Kai-shek and the dispersed remnant of his Kuomintang government? Or Li Tsung-jen and his new regime, which has its eyes on only one objective—some sort of peace with the Reds?

Harold Stassen's recent suggestion for what he called a "MacArthur plan" for Asia has made the American in China scratch his head harder. Would that mean putting a few hundred thousand American troops in China to run the show—and to intervene directly in the civil war?

BROTHERSBlame Lazy Habits Of Skin Care
For Girl's Complexion Troubles

This young girl's campaign against blackheads begins with scrubbing, for which she uses a soft complexion brush and rich lather.

BY ALICIA HART
NEA Staff Writer

Many of those blackheads which polka dot young faces can be blamed upon lazy habits of skin care.

Case in point is the lick-and-promise method of washing faces, which so many girls' mothers report.

If that describes your method of scrubbing, take warning. Fail to wash an oily skin—that is the type of skin which is indeed a push-over for blackheads—and you are pretty certain to have dirt-laden pores. Oil on the skin provides an unfailing attraction for dirt.

When you want to combine salad and dessert fill pear halves (fresh or canned) with a mixture of finely cut celery, walnuts and mayonnaise; serve on romaine or escarole. Finely cut dates may also be added to the pear filling if desired.

Before you begin casting around for other ways to free your skin of blackheads, start scrubbing your face. You may be surprised to discover that daily scrubbing may be all that's needed for a spring clean-up.

The best scrubbing aid besides soap is a soft complexion brush which will create the mild friction needed to dislodge embedded soil. Load the bristles of the brush with rich soap lather and scrub face and neck not once but twice. Whisk the brush in little rotary strokes around the blackhead areas. Rinse thoroughly after you have your face with lather to make sure that no soapy residue is left on the skin.

Mold flavored gelatin in an eight-inch square pan and when set cut in cubes; serve the cubes as a salad on a bed of shredded greens with sour cream dressing; or serve as dessert in sauce dishes with soft custard sauce.

GET RID OF YOUR OLD OIL GLUTTON

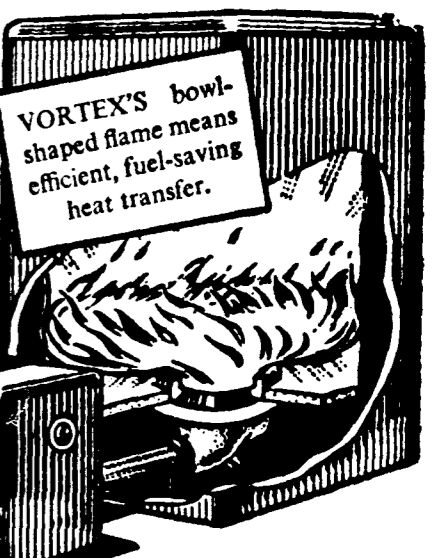

REPLACE IT WITH AN
IRON FIREMAN

Vortex OIL BURNER

Saves up to 30% of your fuel!

A new type, bowl-shaped flame reduces fuel-wasting heat losses

Now's the time to replace your old-style oil burner with today's finest post-war unit—the Iron Fireman VORTEX. The whirling, bowl-shaped VORTEX flame releases maximum heat right at grate-line level, where it can be most efficiently transferred into the home heating system. Heat loss is cut to a minimum, and the extra heat saved cuts oil bills as much as 30%.

IRON FIREMAN Automatic
Furnaces and Boilers with
built-in VORTEX oil burners

These complete oil heating units are perfectly adaptable to all three types of home heating systems—warm air, steam or hot water.

Their heating surfaces are specially designed to utilize fully the rich heat produced by the VORTEX Radiant Flame.

THE DOCTOR SAYS

Blood Is Rid Of Excess Red Cells

By Edwin P. Jordan, M.D.
Written for NEA Service

In contrast to anemia, in which there are too few red cells or too little iron in the blood, there is a condition known as polycythemia in which red cells in the blood may be too numerous. In this disease the number of red cells may be more than twice normal.

The symptoms of polycythemia vary considerably from person to person. Headache, dizziness and inability to work well are fairly common. A brick-red flushing of the face and hands is often present. The disease cannot be diagnosed from these symptoms alone, but rather from counting the blood cells under microscope.

This disease has been known for many years. Many kinds of treatments have been tried, the most common one being repeated removal of blood from a vein. Such repeated small bleedings do not, of course, cure the condition but do get rid of

some of the extra red blood cells.

Cells Destroyed

Other treatments include the use of drugs aimed at destroying some of the excessive red cells. In some cases this kind of treatment has been quite successful.

In recent years phosphorus, which has been made radioactive, has been used with considerable success. Phosphorus, like many other elements, can be "charged" with radioactivity by means of the cyclotron or "atom splitting" apparatus. Because the phosphorus loses this radioactivity quite rapidly, however, it is safer than many other radioactive substances.

This method of treatment for polycythemia seems to be the best so far developed. Indeed polycythemia is probably the first disease for which beneficial results have been obtained as a result of the recent discoveries in nuclear physics and atomic research.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

THE DOCTOR ANSWERS

By Edwin P. Jordan, M.D.

QUESTION: Is it safe to drink soft drinks when one has too much sugar in the urine?

ANSWER: This is certainly not safe because practically all soft drinks have sugar in them. This makes it impossible to watch the diet properly in the presence of diabetes, which is the disease probably present if there is sugar in the urine.

Cook Up A Country Kitchen For \$50

By Kay Sherwood
NEA Staff Writer

"The kitchenette in my apartment is drab, tiny and too limited in storage space to take another can of soup. I would live to have a cheerful, functional, country-style kitchen. But what can I do with only \$50 to spend?"

This question was put by Leora Dana, a young actress making her Broadway debut in "The Madwoman of Chaillot," to Hugh Evans, New York interior decorator, who came through with the answer. With his advice and help in making every penny count, the Dana kitchen underwent the transformation shown before and after.

Using this project as your guide, you can do as much at as small an expense to make an inadequate kitchen more attractive, functional, and to enlarge its storage space. Here's how:

If your kitchen, like Miss Dana's, is an oversized cupboard that opens into a living room or dining room, use wallpaper as she did to turn its doors into sprightly murals. Doors paneled with wallpaper patterns with colored roosters of lime and red swing open, as shown above, to reveal a cheerful, country-styled kitchen. It gleams with white enameled woodwork, lime-colored curtains and spicy red accessories. More shelves for storage, more work-counter space, and plastic curtains that wash, fulfill Miss Dana's dream of a functional and adequate kitchen.

Wallpaper panels came from marked-down remnants. Pasted on inside surfaces of doors that close off the kitchenette, panels are framed with striped wallpaper borders and coated with clear plastic for easy washability.

A two-sectioned storage unit curtained with inexpensive lime-colored plastic fabric encloses the sink, hides unsightly pipes, provides shelf space under the sink for dishwashing and cleaning equipment and small garbage pail. The unit was made with the help of a carpenter friend from

lumber salvaged from an old cabinet plus a few feet of new shelving. Under-sink shelves were grooved to fit around pipes and made removable for possible pipe repairs.

Leftover pieces of wood were used to box in the pipes beside the sink

and to give a back to the unit. To Cupboard interiors were painted lime to match the curtains. The plastic tiles were cemented over the wood.

The sink "cabinet" and exterior woodwork of overhead China and short strip of green linoleum was used.

The before picture (inset) of tiny kitchenette in apartment of Leora Dana, New York actress, provides startling contrast with the cheerful-looking room pictured after inexpensive decorative changes were made.

The Mother-Daughter party at Northminster Church was well attended Thursday evening as Mrs. R. S. Kieser of Springfield spoke mainly to the daughters.

The following program was presented after Mrs. George Coraor spoke words of welcome. Piano duet by Ruth and Mary Albright. Recitations by Jeanne Kay O'Daffer and Becky Fortado. Accordion selections by Velma Vieira. Reading, Shirley Day. Vocal selections Doris Souza. Piano duet Charlene Smith and Jane Fernandes.

Mrs. W. Bieber, Mrs. H. Bodenseick and daughter Linda presented a three generation skit. Vocal selection Mrs. George Coraor. Mrs. Melvin Smith and Mrs. Frank Bracewell. Vocal duet by Mrs. Carrie Smith and Mrs. L. A. Vasconcellos.

The honored mothers for the evening were Mrs. Tony Fernandes, Mrs. David Fernandes, Mrs. Robert Asher and Mrs. Earl Scott.

Franklin Woman Injures Hands

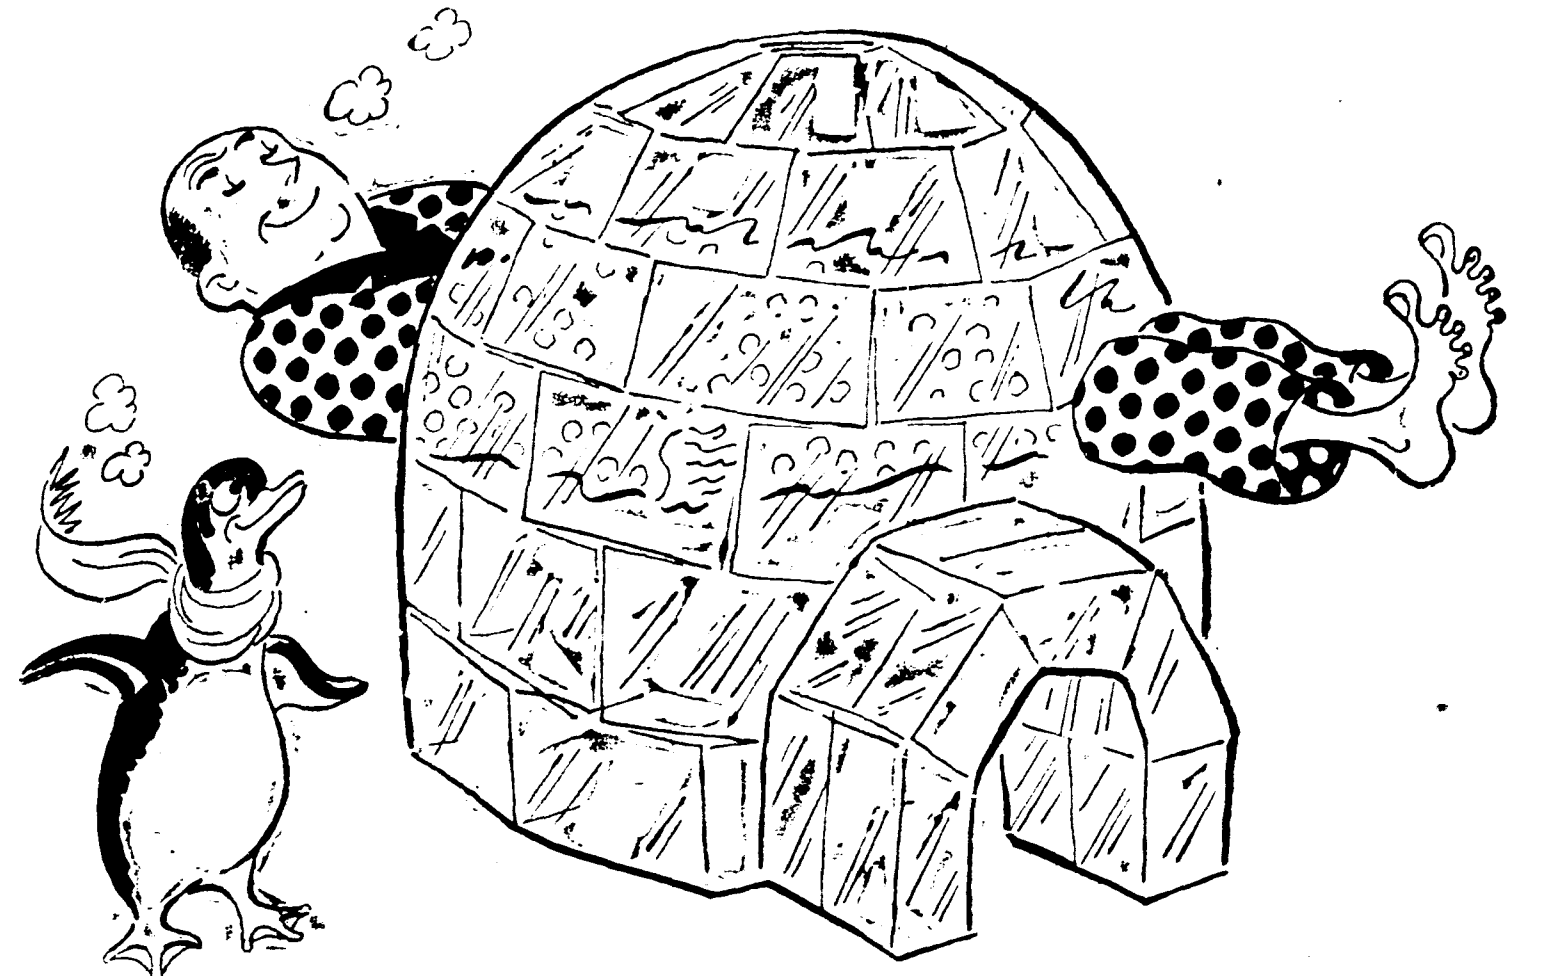

Mrs. Lloyd Dahman was painfully injured Saturday morning when her hands became caught in a weeder with which she was working at her farm home on rural route two, Franklin.

She suffered a fractured right wrist and fractures to the fingers of her left hand. She was taken to Our Saviour's hospital and treat by Dr. Harold Norris.

This Is His 134,000th Sneeze

Ker-choo! And with sneeze No. 134,000 out of the way, Michael Hipsley, 14, of London, has nothing to worry about for three seconds—until No. 134,001 comes along. He has sneezed that many times in eight days. He has been unable to attend school and can sleep only with the aid of drugs. Doctors think his sneezing may be caused by an allergy, but they haven't been able to find out the exact cause. In the meantime, it's pretty monotonous—and tiring—for Michael.

SAVINGS BOND
PROCLAMATION

Whereas—the prayer of every man and woman of good will in the world today is for peace and security and the peace of the world depends upon a strong and prepared United States of America, and

Whereas—a sound and stable economy is essential to a strong America and this is the urgent concern of business, industry, labor and management, government and consumer alike, and

Whereas—the soundness and stability of our economy depend in the end upon the productive effort of each citizen and the thrift of each individual and family, and

Whereas—the Savings Bond program of the United States Treasury Department encourages thrift and regular saving, work against further price increases and builds up buying power for the future, and

Whereas—the Opportunity Drive for United States Savings Bonds began in this community and across the nation on May 16 and runs until June 30th,

I, therefore, as Mayor of Jacksonville, call upon all citizens to examine personal and family finances with the idea of buying as many Savings Bonds as possible during the Opportunity Drive. I urge all who can take advantage of the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank, to sign up for regular, systematic Savings Bond saving. I commend the School Savings program which implants the habit of thrift in our children. Finally, since the Opportunity Drive and the Savings Bond program depend upon the volunteer aid of public-spirited citizens, I call upon all who can help sell Bonds to others to offer their services to the local Savings Bonds Committee. America's security is our security. Let us build it together.

Ernest L. Hoagland,
Mayor of Jacksonville.

AUCKLAND PLANS
TREE MEMORIAL

Auckland, New Zealand.—(AP)—Auckland plans to plant trees typical of allied countries. The City's \$4,000,000 War Memorial Museum, built after World War I, will be enlarged, and made a memorial for the two wars.

The Auckland City Council soon will write to World War II allies asking for trees. It thinks that among the trees that can be included are oaks from Britain, sugar maples from Canada, wattles from Australia, silver trees from South Africa, redwoods for the United States, white beams from France. Spruce from Norway, ginkgos from China, vicus from India, and olives from Greece.

Bring A Gentle Breeze
Into Your Home

A night cooling fan will "sleep condition" your home so you can get those precious eight hours of sleep. This is the modern, economical method of cooling your home... hot, humid air stored up during the day is pulled out... the cool, night air is drawn in from outdoors and gently circulated through the rooms.

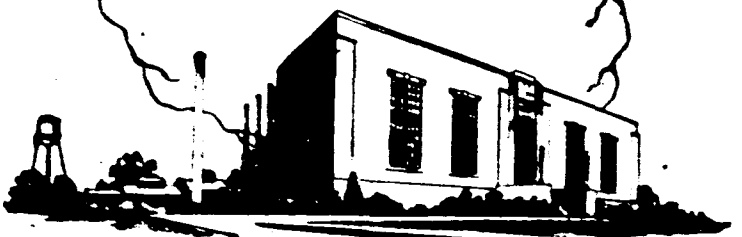

How a Night Cooling
Fan Works:

It pulls out stored-up heated air, while cool, night air is drawn in through opened windows. The gently moving cool air absorbs heat and evaporates perspiration.... you feel cooler immediately.

Stocking Glamor Requires Good Fit

Measuring Guide To Hosiery Size Is Home Project

BY ALICIA HART
NEA Staff Writer

The most glamorous stockings will fall short of their beauty aims if they fail to fit.

Another sound argument against ill-fitting stockings is that normal life expectancy is apt to be cut in half.

To be sure of proper fit, buy the correct stocking size. Judge stocking size by foot size; by the length and width of your leg and foot; and by the length of the girdle garter which must meet your stocking at the top where well reinforcement will take care of the strain of the tethering tab.

What is your foot-size in stockings? That can be determined by shoe size. But if your foot when measured by a ruler is discovered to be wider than normal—the normal is about four inches across the ball of the foot—you will get better fit by wearing stockings a half size larger. The extra length will be taken up by the extra width.

What is your stocking length? Measuring the length and width of your leg will enable you to make a better choice of stocking length. You can't determine leg length by your body weight. Three women of exactly the same figure height might need three different stocking lengths. The difference will lie in fullness of leg and width of foot which fill out a stocking and take up length. Another factor to be considered is that those same three women are apt to

Taking the guesswork out of stocking fit, the model shows how to determine correct stocking size. Although shoe size governs stocking size, she wisely measures across ball of foot (center) to see if extra width calls for an extra half size. To determine correct hosiery length, she measures leg fullness (left) and checks length of garter tab when it is tethered three-quarters of an inch from hosiery top (right). Short garter tabs prove the need for long stockings.

wear girdles of different length. So, when determining length—quarters of an inch from the stocking top. If, however, legs are larger than average, the next longer stocking length you must allow for leg fullness and how long or how short your girdle tabs are. If you are short in stature with short legs or are of average height with slim legs, you can probably get the best fit from a 28-inch stocking, provided that girdle tabs are of the right length or can be adjusted to fasten three-quarters of an inch from the stocking top. As a rule, the 31-inch stocking length is designed for women of average height with legs of average length or who are tall with very thin legs. Here again, however, the length of girdle tabs should be con-

sidered. Generally speaking, the stocking length which measures around 33 inches is recommended for tall women with well-proportioned legs and again for women of average height with heavy legs. The women with heavy thighs will find more comfort and better fit from stockings with a fit-all top which is knitted to provide the same kind of two-way stretch as an elastic girdle.

Calories Measure Amount Of Heat Body Produces

By Edwin P. Jordan, M. D.
Written For NEA Service

The amount of heat produced by the body is measured in units known as calories, just as distance is measured by the inch or the foot. Food is changed into energy which produces heat. Different foods produce different amounts of energy and heat. For this reason it has proved convenient to express the value of foods in the amount of heat which they will produce in terms of calories.

Fats have the highest caloric value in relation to their bulk. In other words, a pat of butter will supply more calories than a square of the same size of lean meat, potato or bread. Starches or carbohydrates, such as sugar, potatoes and most breads, furnish more calories in proportion to their bulk than the proteins. Proteins like lean meat, eggs, cheese, and fish supply the least calories for their bulk.

Needs Vary
It can be calculated very closely how many calories are needed at various ages in the two sexes and for various kinds of occupations. For example, the average boy between 14 and 16 will require more calories in proportion to the size of his body than girls of the same age or than either men or women older than he.

However, weight also plays a part in the caloric needs. A relatively heavy person needs more calories to maintain the weight than a thin person of the same age and sex. The amount of fuel needed also increases with physical activity.

Calories are also of prime importance when it comes to gaining or losing weight. By means of certain tests and calculations, the skilled doctor can tell exactly how many calories per day will be necessary for a person who wishes to lose weight or to gain weight. Calories are the measure by which accurate calculations of the energy needs of individuals, and indeed of

Question: Is it harmful to go up and down steps every day during pregnancy?

Answer: Many obstetricians advise a moderate amount of exercise during pregnancy. Climbing the stairs would probably not be harmful unless some heart disease or other condition were present.

TWO ARE NEW

Salt Lake City —(P)— Two of Utah's three major colleges have new football coaches.

Charles (Chick) Atkinson enters collegiate coaching at Brigham Young University, Provo. He was the coach at Pocatello, Ida., high school. At BYU he succeeds Eddie Kimball, who remains as director of athletics.

George Melinkovich came from New Jersey high school coaching ranks to be grid mentor at Utah State Agricultural College, Logan. He succeeds the veterans Elwood (Dick) Romney, who became commissioner of the Big Six conference. Ike Armstrong, now the dean of Big Six football coaches, remains at the University of Utah here.

DURBIN

Mrs. Sarah Bell and son, Zeddie, visited recently with Mr. and Mrs. Edgar Oxley.

Donna Kay Oxley and Joy Carpenter visited Monday evening with Mr. and Mrs. John Oxley.

Mr. and Mrs. Fred Pinkerton spent Tuesday at Girard with Mrs. Lela Asplund.

Mr. and Mrs. Hubert Twyford were Sunday callers at the home of Mr. and Mrs. Roy Lair near Strawn's Crossing.

Mrs. George Sconfass and daughter of Urbana spent Thursday and Friday with Mr. and Mrs. Samuel Darley.

Mr. and Mrs. Frank Wilson and son, David, visited in Jacksonville Sunday with Jonas Wilson.

A number from the Durbin church attended the potluck dinner and quarterly conference held Sunday afternoon at the Franklin Methodist church.

DOUBLE DOSES

Cincinnati—(P)—The 1945 Cincinnati team accounted for more than half its schedule through double headers, playing 41 of them for a Red record. But in the early days of the National League, the Reds went almost four years without playing a doubleheader—from Sept. 9, 1876 to Sept. 7, 1880.

Making Laughter Is A Serious Business

By Hal Boyle
New York—P—A lady poet once wrote: "Laugh and the world laughs with you." If this were only true, H. Allen Smith—who is certainly no lady and who is a humorist—would be a happy man indeed.
For his job is to make as much of the world laugh as he can. He writes funny books for a living.
Smith should be in a position to give a formula on how to be funny in print. Beginning in 1941 with "Low Man On The Toren Pole," his books have sold some 2,600,000 copies. His publisher says he is "the best-selling humorist since Mark Twain."
But Smith knows of no sure-fire formula for creating a belly laugh. "The problem a humorist faces," he said, "is that people are on different wave lengths. The public reacts differently. Humor is the most difficult form of expression for the reason that you are never sure of it. And there is nothing sorer than a joke that doesn't go."
"You have to tell yourself: 'to hell with the others—I'll write for those on my beam.'"

Wife His Severe Critic
The humor wave lengths at his own four-acre homestead at suburban Mt. Kisco collide head-on. Smith's daughter, Nancy, 20, likes his writing, but she doubts if his son, Allen, 21, has ever read one of his 11 books clear through.
"My wife's not on my wave length either," he said. "She looks at each succeeding manuscript and says, 'Good God, you're not going to turn that in!'"
Mrs. Smith used to be society editor on a newspaper.
Smith himself began his career by shining shoes and sweeping up hair in a barber shop. He worked on a dozen papers as a wandering newspaperman, a career in which he felt a grammar school education was no real handicap.
He also has written a syndicated column, served as a radio emcee, and once wrote five lines for a movie during a six-month stay in Hollywood.
Humorist At Work Is Lonely
A humorist at work is as lonely as a fly at a DDT salesmen's convention. Smith spends four hours every morning at his typewriter in a workshop over his garage. He writes swiftly.
"The thing I am proudest of in my newspaper life is that I was a helluva good rewrite man," he said.

ASHLAND
Ashland—The seniors took their semester examinations on Thursday and Friday of this week, with the morning classes on Thursday, and the afternoon classes on Friday. Two hours were given to write each exam.
These were the last two days of school for the seniors and the rest of the school will be out on June 1st.
Graduation will follow on June 3. Mrs. Walter Adams, Mrs. S. S. Brownback, Mrs. E. J. Mau, Mrs. W. E. Leahy and Mrs. R. A. Newell left Tuesday to attend the 53rd state Women's club convention in Chicago. Mrs. Mau and Mrs. Leahy were delegates from the local Women's club, and Mrs. Newell and Mrs. Fred Walbaum were the alternates. Misses Virginia Walbaum and Ruth Yancy, the two delegates from the Ashland Junior Women's club, and Mrs. Lois Yancy also attended.

Recreation Club Readies Plans For "Kid" Softball Chart

Junior softball players get ready to swing those bats. The Jacksonville Recreation Club junior softball committee has completed plans for one of the biggest and best "kid" night softball programs that local youngsters have ever been privileged to participate in.

League play will get underway Monday, June 6, on the JHS north-side diamond. Two games will be played every evening, with the first contest scheduled to begin at 7:30 p.m. Games will be played on Friday, Tuesday, Thursday and Friday nights. Saturday night preliminaries will be played by the juniors at the senior park. They will precede the Jay-Cee girls tilt.

Two Leagues Formed

Two leagues of six teams each have been formed. Boys up to 17 years of age will be eligible to participate. The two leagues will be called the American and National leagues, and will wind up their activity around August 16th with a miniature "world series" between the pennant winners in each league.

The juniors will be supervised by Mr. Joe Smith. Mr. Smith has had considerable experience in this field. He and the Recreation Committee are compiling the dates and complete schedule this weekend. The state will be published upon completion.

Name Teams Entered

The following teams have already entered the program: K. of C., Squires, Moose Jrs. Literberry, Murryville Ramblers, Stoners, Amvets, Coca Cola, Our Saviour's grade school, Flamingo Club, Rogerson Club, Eastside Club, Exchange Club.

The Exchange Club manager is still looking for players. Any youngster who would like to play ball in the organized league this season should contact Wally Baptist at the Baptist Radio Lab.

A meeting of team managers and the committee has been called for Tuesday evening at 7:30 o'clock in DeSilva's Cafe.

Giants' Investment In Kennedy Begins To Pay Dividends

By RALPH RODEN
Associated Press Sports Writer

The New York Giants are beginning to reap some dividends from the \$25,000 they shelled out to Richmond for pitcher Montia Kennedy in 1946.

After years of frustration Kennedy is making the 25 grand price look like a bargain with some of the tightest pitching by a Giant left-hander since the memorable days of King Carl Hubbell.

Well poised and still possessing the stuff that had the Giants and opposition buzzing three years ago, Kennedy has turned in four victories, one more than he recorded for the Giants last year.

Kennedy pitched the Giants into undisputed possession of first place in the National League yesterday with the finest performance of his career, a 5-0 two-hit triumph over the ambitious Cincinnati Reds.

The 27-year-old native of Amelia, Va., faced only 29 batters, walked none, fanned two and retired the last 14 Reds in order.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, May 21.—(P)—Hogs today ended a week in which prices scored the sharpest advance of the current marketing season and went to the highest level of the past month. The market today was quoted nominally steady, as was the case for cattle and sheep.

A drop in receipts, which came as a surprise to livestock men, and sharp advances in wholesale pork prices provided the background for the gains in live hogs. Final prices were 50 cents to \$1.00 higher with the top \$19.85.

Cattle worked mostly higher this week, beef steers again making up about 75 per cent of total offerings. Top was \$28.00. Cattle receipts here and at other markets were slightly lower than in the previous week.

Shorn lambs closed the week 25 to 50 cents lower while woolled lambs, in small supply, ended 50 cents higher.

New York Stock Market

New York, May 21.—(P)—The stock market leveled off today after a four-day running decline.

It was scarcely an aggressive advance but a good majority of key issues moved up minor fractions. A handful of minus signs dotted the list and numerous shares remained at Friday's final quotations.

Trading was slow even for a Saturday. Transactions for the two hours were slightly above 200,000 shares.

The slowest Saturday this year was May 7, when 240,000 shares changed hands.

Brokers now are blaming the approaching fourth-round wage negotiations as the major block in the market's path.

Motors did fairly well, with small gains tacked on General Motors, Chrysler, Graham-Paige, and Studebaker.

Other steady stocks included Republic Steel, Goodrich, Western Union, International Telephone and Illinois Central.

Corporate bonds moved narrowly higher at \$115-\$115.5.

MORE RIGHTIES

Cincinnati.—(P)—A study of the players used by the Cincinnati Reds since 1876 indicates that about 70 percent of baseball players bat right-handed. Of 734 former Reds, 495 hit right-handed, 210 left-handed and 29 swung from both sides of the plate. An even greater number, more than 81 percent, threw right-handed.

It's Big 10 Again With Admittance Of Michigan State

Evanston, Ill., May 21.—(P)—It's the Big Ten again, but the new member, Michigan State College, won't enter league competition until the 1950-51 school year in conference football the Spartans must mark time until 1953.

Michigan State, a bustling East Lansing, Mich., institution with an enrollment of 16,000, yesterday was voted formal conference admittance by the faculty representatives, policy-making body of the powerful midwestern athletic circuit.

Because the conference last December drafted football schedules through 1952, the Spartans will not figure in the grid race until five seasons hence, even though they face three conference opponents in each of the 1950-51 campaigns.

Conference officials made it clear that the Spartans, no matter how well they may fare the next two football seasons cannot be considered as a Big Ten delegate to the Rose Bowl game.

The Big Ten and Pacific Coast conference still have 1949 and 1950 Bowl dates left in a five-year pact and because Michigan State won't compete for the Big Ten title, it is not an eligible Pasadena candidate.

Michigan State's first conference activity as a successor to the University of Chicago, which dropped out in 1946, will be in the 1950 cross-country track season.

GOLFING KNOW-HOW

By Bob Munk

Something that always seems to baffle players is where to place the ball in relation to their foot-position—There is nothing complicated or mysterious about solving this problem. The important thing is to have your center of balance ever with the ball at point of impact.

On any kind of a short swing, your natural actions will bring your center of balance to a point midway between your feet. The longer the swing the more forward your point of balance will probably be. This means that with a short iron you should place the ball at a point even with midway between the feet. As the swing gets longer you must move the ball forward until, when using your woods with a long swing, it should be opposite your left heel.

This does not mean that you should try to bring your body into these positions—Merely place the ball according to the club you are using and swing the club naturally to let your natural actions bring your center of balance into position.

On a number-nine iron place the ball at a point opposite midway between your feet—On a drive, place it opposite your left heel—On your other clubs, move it from midway between your feet to opposite your left heel gradually according to the graduation of your club.

Note—For explanation of technical terms, refer to any golf book or your instructor.

Three Young Dirt Track Races Make Qualifying Runs

Indianapolis, May 21.—(P)—Three young hot rod and dirt track racers qualified today for the 500-mile Memorial Day race, along with Speedy veteran Tony Bettenhausen, Tinley Park, Ill. Twenty others qualified last week.

Jackie Holmes, Indianapolis, turned in the day's best time of 126.089 in the Pat Clancy Special, a six-wheeler.

Troy Ruttman of Ontario, Calif., west coast midge and roadster sensation, put the Career Special on the line at a speed of 125.945. The 22-year-old Ruttman probably will be the youngest started in many years. He drives the car in which Mauri Rose and Floyd Davis won the 1941 race.

Bettenhausen, veteran of three previous Memorial Day races, had the day's third best time of 125.764 miles an hour in the 6-cylinder car formerly driven by Jimmy Snyder.

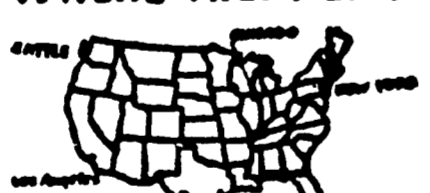

Pat Flaherty, Los Angeles, made only 120.846 miles an hour in a Grand V-8 Special and the car probably will be unable to hold a starting place. Only the fastest 33 cars go to the starting line. Time trials will continue tomorrow and May 28.

There were three accidents on the track today, sending four men to the hospital. Tommy Mattson, Los Angeles, hit a concrete wall trying to turn into the pits and suffered forehead cuts. Tommy Hinnerschitz, Oley, Pa., skidded on the northwest turn and was cut on the face.

Chet Miller, veteran driver from Glendale, Calif., escaped injury when a racer caught fire. He was driving slowly in a carburetor test of the Sarafio Special, already qualified by Merrill (Doc) Williams, of Wyandotte, Mich. It may be out of the race.

Two members of the Indianapolis Bowles Fast Team suffered leg injuries in separate accidents. Chief Mechanic Pete Clark was kicked by a crank and Mechanic Art Winter rode was run over by a hand-pushed racer.

WHERE THEY PLAY

New York, May 21.—(P)—Probable pitchers for tomorrow's major league games (won and lost records in parentheses):

Philadelphia at Pittsburgh—(2) Heinzelman (4-1) and Roberts (3-3) vs Higbe (0-0) and Sewell (2-0)

Brooklyn at Cincinnati—(2) Hatten (3-1) and Newcombe (0-0) vs Ruffensberger (4-3) and Erazut (2-2)

Boston at Chicago—Sain (3-3) vs Schmitz (1-1)

New York at St. Louis—(2) Hartung (4-2) and Jansen (3-3) vs Brazile (3-2) and Reeder (0-0)

Cleveland at Philadelphia—(2) Garcia (2-1) and Beardon (3-2) vs Brisse (3-2) and Kellner (4-3)

St. Louis at New York—(2) Drews (2-3) and Garver (2-1) vs Lopat (4-0) and Raschi (5-1)

Detroit at Boston—Trucks (5-1) vs Parnell (5-1)

GRACE CHURCH TO HOLD BOYS' NIGHT

A special sound moving picture, entitled "The Making of a Yankee," will be shown in the basement of Grace church next Wednesday evening at 7:30 o'clock to which all the boys of the community are invited. The picture is shown in the interest of clean sports and the development of clean thinking and clean living. After the picture has been shown, there will be a discussion, followed by social fellowship.

IC Nine Wins 5 To 4 Tilt At Galesburg

Bob Grove's third inning round-trip blast with Paul Lasley aboard counted the deciding runs at Galesburg Saturday afternoon as the local college nine climbed back on the victory wagon by virtue of a 5-4 win over the U. of I. extension school club.

Len Drabant started on the slab for the Blueboys. He chucked a good ball game for two frames, but was shellacked for four runs in the third stanza. He recuperated quickly and held the Galesburg bunch runnerless for two more frames before giving way to John Maynard in the sixth chapter.

Maynard, going into the ball game with a 5-4 lead held the single-run edge for the remainder of the nine-inning tilt.

Harmon, IC left fielder, did most of the percentage hitting for the locals. He collected a pair of safeties out of four trips to the plate. Both clubs garnered a total of 6 hits.

The Joe Brooks-coached crew is scheduled to play Ill. Wesleyan on the Russell Field diamond Wednesday afternoon.

Softball Tonight

You know, the weatherman is going to have a lot of enemies among the local softball clique if he doesn't ease up and let us play some ball games.

He's got the women mad at him now, since the Jay-Cee girls were washed out of their tilt with the Granite City femmes at the south-side diamond Saturday night.

Barring more rain today and if sunshine prevails we'll have a couple of crackerjack contests at the park this evening.

In the 7:30 p.m. curtain raiser Sunday, the local Implement Dealers softball team tangles with the Ash Street Merchants of Springfield.

The strong Moose nine plays host to the South Sixth Street Merchants, also from the capitol city, in the 8:45 nightcap.

Here is a complete schedule of this week's "A" and "B" League activities.

Monday, May 23
Nesco vs. Pepsi Cola (7:30 p.m.)
Myers Bros. vs. House of Clay (8:45 p.m.)

Tuesday, May 24
Nesco vs. Red and White (7:30 p.m.)
Myers Bros. vs. Implement Dealers (8:45 p.m.)

Wednesday, May 25
"Pay-night" games.

Thursday, May 26
V.F.W. vs. Ruh & Durocher (7:30 p.m.)
Elks vs. Moose (8:45 p.m.)

Friday, May 27
American Legion vs. Red & White (7:30 p.m.)
K. of C. vs. Implement Dealers.

The games scheduled for Tuesday night were originally carded for last Thursday and were cancelled because of rain. Tuesday has been set aside for Civic League games again this year, but thus far we have received no communication from those teams.

Indiana, Iowa Win Friday Tilts; Gain In Big Nine Race

Chicago, May 21.—(P)—Purdue's Big Nine baseball lead hung in the balance today in a series of conference games.

The Boilermakers were upset by Wisconsin last night 10-3, while Indiana and Iowa gained victories over Northwestern and Minnesota respectively. Should Purdue lose its second contest to the Badgers today at Madison, either Indiana or Iowa, or both, could go ahead with victories.

Badgers Pull Triple Play

Floyd Leve of the Badgers held Purdue to eight hits and had a shutout until the Boilermakers scored three times in the ninth. The game was enlivened by a Wisconsin triple play in the eighth. With Bor Rasmussen on first and Charles Kaier on second, Bob Whitman lined one to Badger second baseman Gene Evans. Fast relays to second and first completed the triple killing.

Jack Bruner of Iowa struck out 15 men at Minneapolis as the Hawkeyes defeated Minnesota, 2-0. Bruner gave up four hits in galping his fifth straight conference victory. The two teams play again today.

Indiana kept its title hopes alive by drubbing Northwestern, 4-2, in the first of a two-game set at Evanston. Gene Ring of the Hoosiers had a triple and two singles in five times at bat but Don Ritter, conference's leading hitter, was held to a single in five times up.

Illini Bow To Buckeyes

Pete Perini hurled and batted the Ohio State Buckeyes to a 7-3 victory over Illinois at Champaign, knocking out the Illini's slim hopes of sharing in their third straight conference crown. Perini scattered eight hits and in the seventh socked a mighty triple with the bases loaded to assure the Buckeyes' victory.

Michigan, playing outside the conference, tied Western Michigan in 12 innings, 3-3, and will play Michigan State today.

Gophers Win 1st Big 9 Track Title; Ohio State Second

Evanston, Ill., May 21.—(P)—Minnesota's Gophers hurled their way, literally and figuratively, to their first Western Conference outdoor track title in history today as one new meet record was recorded.

The Gophers rolled up 19 points in the 120-high and 220-low hurdles to send them winging to a top total of 49 points in the 49th conference championships at Dyche stadium. Defending champion Ohio State was second with 374.

The sole new mark was registered

by Indiana's Chuck Peters, one of the meet's two double winners, who defended his 220 dash title with a 21.2 triumph. That broke the four-year record for around a turn of 21.6 first set in 1903 by Michigan's Archie Hahn. It also matched the American college record for the 220 around a bend by Marquette's Ralph Metcalfe in 1933.

Wisconsin was a close third with 36 points, followed by Indiana, co-favorite with Minnesota, and Illinois, tied for fourth at 35 each; Michigan, 14; Purdue, 11; Northwestern, 5; and Iowa, 4 of a point.

Peters, who also retained his 100-yard dash crown, and Ohio State's Mal Whitfield were the meet's only double winners. Whitfield, Olympic 800 meter champion, easily recaptured his 440 title and added the 880 championship by outlasting Wisconsin's Don Gehrmann.

Gehrmann, however, retained his mile title with a nonchalant 4:17.9 triumph. A fourth repeater was Northwestern's Jim Holland in the broad jump.

Athletics Wallop Tigers 15 To 7

Philadelphia, May 21.—(P)—Shortstop Eddie Joost smashed out four hits to drive in six runs and right-hander Carl Scheib allowed one to lead the Philadelphia Athletics to a 15-7 triumph today over the Detroit Tigers.

By winning the A's vaulted past Detroit into second place in the American league pennant race.

One of Joost's four hits was an eighth inning homer with the bags empty.

Phil Marchildon started for the A's and before he left in the fourth inning with nobody out the Tigers had piled up a 7-0 lead. Scheib stopped Detroit cold. It was his second win against no defeats.

Brooklyn Smears Cardinals 15 To 6

St. Louis, May 21.—(P)—The Brooklyn Dodgers smears the St. Louis Cardinals, 15-6, today with Jackie Robinson leading the rout by driving home six runs.

Brooklyn broke up a tense struggle with an eight run, ninth inning explosion. Pee Wee Reese started the rally with an infield single and climaxed the uprising with a three-run homer into the left field bleachers.

Robinson slammed out two doubles and a single while Reese, who scored five runs, clouted a double and two singles in addition to his four-bagger.

Noses Out Oak Park 26-7 Tenths To 21 With Record 880 Yard Relay

Champaign, Ill., May 21.—(P)—Lyons township of La Grange capped its drive to a second successive Illinois state high school track championship today with a record-shattering 880 yard relay performance which enabled the Chicago suburban school to nose out rival Oak Park 26 7/10 points to 21.

Hinsdale placed third with 14 points, followed by Phillips (Chicago) with 10, Hyde Park (Chicago) and Collinsville with 9 apiece, Benton with 8, Peoria Manual with 7 and Evanston with 6.

Thus, northern Illinois' monopoly of state track crowns continued unchecked. The last time there was a downstate class A winner was in 1925 when Danville and Eldorado tied.

In taking the 5th annual schoolboy event, Coach Russ Deason's Lions

became the first school in 11 years to repeat. Oak Park last did it by winning in 1937 and 1938.

The climax came in the 880 yard relay when the Lions' baton carriers, Jim Caffey, Bob Vanhorn, George Swanson and Steve Little, scurried over the heavy track in 1:29.6. The triumph was worth five valuable points and clipped twenty-sixths second from the mark set by York of Elmhurst in 1936.

Only other record job was turned in Friday by Oak Park's Chuck Hoag who sailed the disc 158 feet 11 inches, nearly 45 feet better than the mark by Paul Behan of Crystal Lake in 1942.

9th Inning Rally Gives Senators Win Over Browns

Washington, May 21.—(P)—The Washington Senators continued their mastery of the St. Louis Browns today, with a two-run rally in the ninth that meant a 7-6 victory.

This was the fifth time the two teams have met, and it was the Senators' fifth triumph.

St. Louis scored three runs in the ninth to grab a 6-5 lead, but Ed Stewart opened Washington's ninth with a homer. Then the Senators loaded the bases and Sam Dente tapped a bunt to squeeze the winning run across.

The game was wild all the way, with 19 walks, a hit batter, a wild pitch, a balk and five stolen bases.

Phillies Whip Chicago Cubs 5-1

Chicago, May 21.—(P)—Frank Borow pitched and hit the Philadelphia Phillies to a 5-1 victory over his former Chicago Cub mates here today before a Ladies Day turnout of 18,840. It was his third win of the season and his second over the Cubs.

Borow walloped a double in the second inning to clean loaded bases and start the downfall of Dutch Leonard. When he scored a moment later on a single by Gran Hamner, Leonard departed for Bob Rush. Hank also added another single as his share in the Phillies 12-hit assault.

The Cubs collected only seven hits off Borow and didn't get their lone run until the ninth when Emil Verban singled for the third time and counted on another single by Herman Reich.

Braves Rout Pittsburgh 8 To 2

Pittsburgh, May 21.—(P)—An eighth inning explosion that netted seven runs enabled the Boston Braves to rout the Pittsburgh Pirates 8 to 2 today and take the rubber game of their three-game series.

The Pirates were leading 2-0 by virtue of home runs by Eddie Stevens and Eddie Bockman when Billy Southworth's contingent drove Murpherson from the mound and continued their attack against Hugh Casey who relieved him.

Yankees Defeat White Sox 4 To 3

New York, May 21.—(P)—Brilliant relief pitching by Fred Sanford and a two base error by rookie first baseman Gordon Gribbsberry gave the New York Yankees a 4-3 triumph over the Chicago White Sox today.

Sanford allowed only one hit in six and one third innings.

Bill Wright nailed the first two Yanks in the ninth but Yogi Berra's grounder went through Gribbsberry's legs for a two base miscue. Wright intentionally walked Bill Johnson but Johnny Lindell followed with a single to left to break it up.

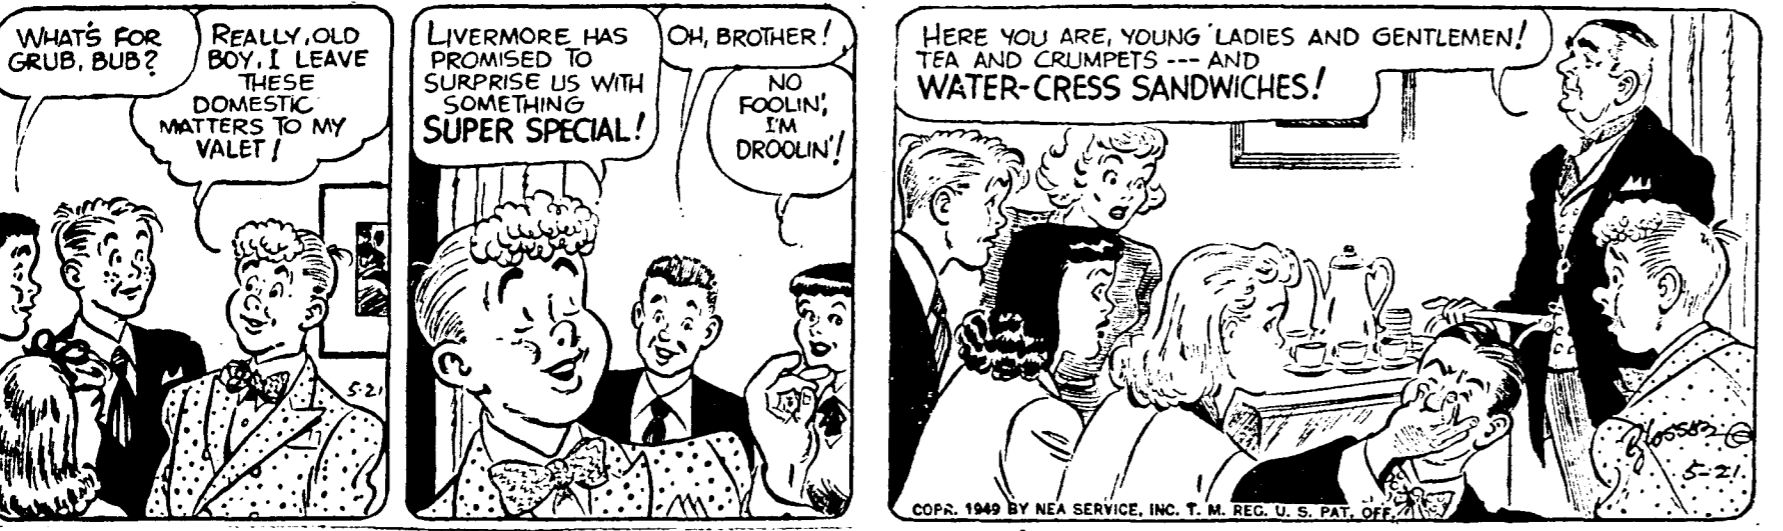

Sanford rescued starter Frank Shea in the third and the lone hit he yielded was a double by Luke Appling in the eighth.

Wright suffered his first loss in five outings.

IC Commencement Play Planned For June 10

ENGAGED

Miss Marianne Ranson

Mr. and Mrs. Gail B. Ranson of 905 Edgemoor Road gave a party Saturday afternoon announcing the engagement and approaching marriage of their daughter, Marianne, to Joseph Giangreco. Mr. Giangreco is the son of Mrs. Michael Giangreco and the late Mr. Giangreco of Buffalo, N. Y.

Miss Ranson is a sophomore at Illinois College, where she is a member of Sigma Phi Epsilon literary society. Mr. Giangreco graduated from Illinois College with the class of 1948 and was a member of Sigma Phi literary society. He is now completing work on his master's degree in special education at Columbia university, New York City.

The wedding is planned for June 28.

Bluffs Services Thursday For Robert Campbell

Bluffs—Mr. and Mrs. William Campbell received a message Friday morning stating that the body of their son, T. Sgt. Robert Campbell, who was killed in action in France on May 27, 1944, will arrive in Bluffs Wednesday morning for burial.

James Robert Campbell, son of William and Mary Campbell, was born in Naples on July 31, 1924 and was reported missing in action over France on May 27, 1944. About a month later confirmation of his death was received.

He was a graduate of the Bluffs community high school with the class of 1942. He was active in sports and upon graduation received the improvement award. He was a member of the Bluffs Methodist church.

He enlisted in the Army Air Corps on Dec. 7, 1942 and received three months basic training in Miami, Florida. From Miami he was sent to Scott Field, Ill., for 20 weeks of radio code study. From there he went to gunnery school at Salt Lake City, Utah and then to Dyersburg, Tenn., for four months of flight training.

Upon completing this training he was sent to Nebraska and was assigned to a plane and flew to England where he was stationed from April 1, until the time of his death. Just before his death he was awarded the Air Medal.

He is survived by his parents, two sisters, Mrs. Mary Traw of Bluffs and Miss Martha Campbell, a student nurse at Our Saviour's School of Nursing in Jacksonville; a brother, Gordon, a student at Illinois College, Jacksonville; his grandmothers, Mrs. Mary Mayes of Bluffs and a number of other relatives.

The body will be brought to the Bates Funeral Home in Bluffs Wednesday morning and final rites will be held at the funeral home Thursday afternoon at 2 o'clock with the Rev. Kenneth Douglas in charge.

Reburial will be in Oakland cemetery near Mercedia with Charles Wolford Post No. 441, American Legion in charge.

White Hall Legion To Hold Reunion Friday, May 27th

White Hall — American Legion Post No. 70 and its auxiliary will hold their seventh annual soldiers and sailors reunion in Whiteside park on Friday, May 27.

A fish dinner and supper will be served and the group will attend the Tatham shows, which are playing in White Hall the week of May 23, under the sponsorship of the Legion.

A special Memorial Day service has been planned for May 30th with all participants meeting at the First Christian church at 10:30. The procession will march to the White Hall cemetery, led by the band of the school, all veterans organizations carrying their colors. The program will be given on Soldier Hill with Rev. Charles Vandertum, pastor of the Methodist church bringing the message. The Ministerial Alliance which is composed of the ministers of the Methodist, Presbyterian and Christian churches, will all have a part in the program.

Hickey And Macauley Of St. Louis U. Cage Fame Speak At ISD

Illinois School for the Deaf athletes, teachers and students heard Edward S. Hickey, basketball coach of St. Louis University, speak at the annual athletic banquet held in the main dining room of the school Saturday evening.

Billy Yates, president of the "I" club under whose auspices the banquet was presented, was the toastmaster.

Coach Hickey was accompanied to Jacksonville by his cage star of all-American frame, "Easy Ed" Macauley. After his tutor's inspiring speech, Macauley spoke to the assembled guests. Both talks were interpreted to the deaf by "Spikes" Wilson, athletic director at ISD.

Aggressive Pattern
"In basketball, it's St. Louis U. against the world." That was Coach Hickey's theme when he took over the coaching job at St. Louis three years ago.

Both Hickey and his star pupil, Macauley, praised the deaf students for their deep sense of loyalty to team, school and teachers. Hickey also applauded the ISD administration for its "sports-mindedness" in backing such a fine athletic program in the school.

The St. Louis coach also stressed that he had noticed outstanding among all deaf athletes and students. He used Iowa School for the Deaf, St. Joseph School for the Deaf in St. Louis, and ISD as prime examples.

Mrs. Hickey and Miss Coumbes, a student at St. Louis U., were introduced to the group.

Stanley Kwiatk Honored
Stanley Kwiatk came in for the lion's share of honors at the letter presentations. Daniel Cloud, superintendent of ISD, presented to Stanley a gold trophy for his selection as the most valuable deaf football player in the nation. Kwiatk is the first Illinois athlete to receive such distinction.

Victor Marsala was distinguished with all-American honors for achievements on the gridiron also.

ISD coaches "Spikes" Wilson and Art Yates presented track, baseball, basketball and football letters to their outstanding athletes.

Letters in football were awarded to Ed Raffel and Ed Welborn, managers; and Leiberg, Hood, Villani, Hoffman, Early, Yates, Kwiatk, Carlstedt, Tuchman, Zuziak, Paul and Helmserson.

Basketball awards went to Raffel, Yates, Carl, Paul, Hood, Kwiatk, Early, Nunes, Hoffman Carlstedt and Villani. Dieberg and Welborn received managers letters.

In track letters Early, Leiberg, Hood, Yates, Tuchman, Merriman, Carlstedt, Helmserson, Villani and Ed Raffel won major letters. Leroy

MacMurray Alumnae To Meet Saturday

Advance reservations indicate that an unusually large number of graduates and former students will attend the annual dinner of the MacMurray Alumnae association to be held Saturday, May 28, in McClelland Hall. Mrs. Louise Gates Eddy, A. B. '12, president of the association, will be the principal speaker, with "The Orient Through Western Eyes," as the subject of her talk.

Dr. and Mrs. Eddy have just returned from an eight months' tour which included Japan, China, Korea, India, Pakistan, and Turkey, and in each of these countries they were privileged to meet with the leaders in the political, educational, and religious life of the people.

Miss Valerie Kunze, B.M. '44, supervisor of music in the Duplo high school, will sing a group of songs, and the candle-lighting toast will be given by Mrs. Helen Webb Wilson, A.B. '39, of Stanley, Ill.

Under the Dix plan which is being used this year, the following groups of classes will have special reunions: 1939, 1940, 1941, and 1942; 1920, 1921, 1922, and 1923; 1901, 1902, 1903, and 1904; 1882, 1883, 1884, and 1885. The class of 1924 will celebrate its twenty-fifth anniversary, the class of 1929 its twentieth, and the class of 1899 its fiftieth.

Members of the graduating class and of the board of trustees will be special guests at the luncheon, for which Miss Grace Fitch, A.B. '31, is serving as chairman. Reservations are being made with the alumnae office.

Capps A.C.W. Of A. League Closes Pin Season At Banquet
A banquet ending 21 weeks of bowling was enjoyed Saturday night by the Capps A. C. W. of A. League at the Amalgamated hall. Approximately 125 persons were present to see \$786 in prize money distributed to the captains of the twelve teams, each of which consisted of three women and two men.

Guests at the dinner included 16 members of the Amalgamated Clothing Workers of America from Mt. Carmel, Ill., who will bowl the Jacksonville organization Sunday morning at 11 o'clock. They spent the night at Yording's tourist camp.

Louis Nieman, manager of both the Mt. Carmel and Jacksonville leagues, was master of ceremonies. Other guests were Edward Bagale, vice president of J. Capps and Sons, and Mr. and Mrs. Ralph Eoff and Mr. and Mrs. James Davis, proprietors of the local bowling alley.

Captains and their teams' standings are: Pay Barton, first; Floyd Little, second; Richard Osborne, third; Bob Keilh, fourth; Frances Bles, fifth; Owen Nunes, sixth; Merle Meneses, seventh; Howard Rolston, eighth; Richard Osborne, ninth; Howard Dodsforth, tenth; Pete Dodsforth, eleventh; and Howard Arundel, twelfth.
